

Welcome...

...to Maple Bay Marina; the ideal moorage location – superbly sheltered on Vancouver Island, in the heart of the world famous Gulf Islands, accessible by air, land and sea.

Maple Bay Marina is located in the diverse Cowichan region of Vancouver Island and has been providing a safe harbour to recreational boaters since 1945. While the marina has grown over the years into one of the largest in British Columbia, it still continues to maintain its secluded, rural ambience.

We take great pleasure in providing a welcoming, safe environment for boats and people. So whether you are relaxing on a boat, working on a boat, dreaming of a boat or just enjoying the ocean views, please make yourself comfortable and enjoy the hospitality of Maple Bay Marina.

Thank you for the opportunity to be a part of your west coast experience.
