**MAPLE BAY MARINA “SCOOP IT UP - SUNDAES ON SUNDAYS, LIVE MUSIC BY
BRENT HUTCHINSON & FRIENDS”**

MAPLE BAY, VANCOUVER ISLAND – Maple Bay Marina is pleased to provide FREE live music on Sundays during July and August. To enhance the sweetness of the melodies, the Mariners Market & Espresso Bar will feature an ice cream sundae bar during the performances; scoop it up, build your own sundae - flavour it oh so right. Performances will be held in the marina courtyard area, just outside the Mariners Market & Espresso Bar, from at 11:00 am until 1:00 pm.

The live music is performed by accomplished musicians. As a founding member of **Uncle Wiggly’s Hot Shoes Blues Band**, Brent Hutchinson performed extensively throughout Western Canada warming up for many great artists such as: **Muddy Waters, Joe Cocker, Paul Butterfield, George Thorogood, Queen Ida, and Long John Baldry**, to name a few. Front man of the **HeadHunters**, a band of elite Vancouver Island musicians he hosted the legendary Cowichan Blues Cabaret which featured many sold out shows at the Cowichan Performing Arts Centre social lounge. Currently hosting a weekly Thursday night jam at Jac’s on Queens in Duncan, and performing often with his new project **The Rivals**. “I really enjoy playing at Maple Bay Marina on Sundays in the summer, it is a very relaxed atmosphere, a beautiful outdoor venue with friendly and appreciative audiences. I hope to see you there!”
